

Fundraising Did You Know?

The PTSA relies on its two donation based fundraisers, the Hop-a-Thon and Hawk Walk to raise the majority of the funds needed to keep the PTSA sponsored events and activities in place at Stillwater. However, we also have smaller year round fundraising activities, they are outlined below.

	<p>BOX TOPS FOR EDUCATION – www.boxtops4education.com</p> <p>Each Box Top is worth 10c! No need to cut them perfectly or worry about the expiration date on them. Put them in a baggie with your teacher’s name and send them to school.</p>
	<p>LABELS FOR EDUCATION – www.labelsforeducation.com</p> <p>Collect UPC’s and caps from select products. These are turned in as “points” which we can redeem for such items as playground equipment, art docent supplies and many other items from the LFE reward catalog. Please send in the full UPC from the back of selected items and the caps from selected V8 juices. We cannot turn in front labels anymore or the square that says the point value without the UPC on the side. Turn these in with your Box Tops for our monthly class contest.</p>
	<p>MY COKE REWARDS – www.mycokerewards.com (Click on “Causes” and then the “Learn More” for K-12 schools. Enter in “Stillwater Carnation” to find our school). Save your caps and codes from participating Coke Products. Either turn them into the school and we will enter them or if you have a MyCokeRewards account, you can enter them and then when they build up, you can donate your points to the school to get cash. We earn about 5c for each cap redeemed or 3pts.</p>
	<p>AMAZON SMILE – www.smile.amazon.com</p> <p>If you shop on Amazon, products marked “Eligible for AmazonSmile donation” on the product detail will earn the school 0.5% donation. Please choose “Stillwater Elementary Ptsa 2-16” when choosing your charity.</p>
	<p>INK CARTRIDGE RECYCLE – www.fundingfactory.com</p> <p>Bring to school your empty ink/laser cartridges. They are boxed up and sent into the Funding Factory which gives the school money depending on type, brand, model and condition.</p>
	<p>TYSON A+ PLUS - http://projectaplus.tyson.com/</p> <p>Located on the back of selected Tyson products. Each cut out label is worth 24 cents each. They can be turned in anytime.</p>
	<p>JUICE POUCH RECYCLING – www.terracycle.com</p> <p>By recycling our juice pouches in the lunchroom, we get at least 1c -2c per juice pouch recycled. Since starting the recycling program almost 5 years ago, Stillwater has recycled over 45,000 juice pouches!</p>

EVERY PENNY COUNTS!
