

Stillwater Elementary PTSA Hop-a-Thon Classroom Goals

The PTSA Hop-a-Thon will occur on Wednesday, November 7th. Full details regarding the Hop-a-Thon and prizes can be found on the fundraising envelope that also went home in kidmail today or online at <http://stillwaterptsa.org/hopathon/>. For the Hop-a-Thon, each class has been given a goal based off of the total number of students in each class. If the class hits their goal, they will win a Snow Cone Party, the date will be coordinated with the teacher. Below is the complete list of classroom goals. Please note that special consideration will be made for those students that go above and beyond but the class still does not hit the goal. If you have any questions please reach out to Monique Linz or Lindsey Tolson at fundraising@stillwaterptsa.org. Please make sure to check our Facebook group in the weeks leading up to the Hop-a-Thon for updates on the classroom and school goal progress (Stillwater Elementary PTSA).

TEACHER	GRADE	STUDENTS	CLASS GOAL
Rogers	K	20	\$548
Questad	K	19	\$521
Materi	K	20	\$548
Sprague	K	20	\$548
Dice	K	20	\$548
Mauldin	1	20	\$548
Crouch	1	20	\$548
Marchel	1	20	\$548
Dunn	1	20	\$548
Walter	2	24	\$658
Skaug	2	24	\$658
Olson	2	24	\$658
Craig	2	23	\$630
Epps	3	26	\$712
Smith	3	25	\$685
Heinson	3	26	\$712
Liljegren	4	25	\$685
Rohrbach	4	27	\$740
Fridenvalds	4	26	\$712
Wood	5	28	\$767
Hinton	5	27	\$740
Farnworth	5	27	\$740
		511	\$14,000

NEW Extra Class Goal Incentive:

The class with the highest percent to goal at the end of counting will get the VIP Treatment at Student Council's Movie Night on November 16th. Front row seats, free popcorn, candy and drinks!

Classroom Goal Calculation: Our goal is for the school to exceed \$14,000, which makes the goal per student approximately \$27. All classroom goals were set taking the number of kids in each class and multiplying by \$27. On the fundraising collection envelope, it is listed that the suggested minimum fundraising goal per student is \$35, this allows us to account for the impact of historical participation rates. During the Hop-a-Thon last year, our participation rate was about 60%. With a \$35 minimum fundraising goal per student, that is planning closer to an 80% participation rate. Which we realize is far above our actual participation

rates from last year, but we are working towards encouraging more students to participate and those students who compete for the top earners help us reach our goal as well.
